465 Degrees To Be Awarded At 152nd Commencement

A century and a half ago a tiny handful stood to receive their degrees upon another hill, a mile or so to the north and east.

On Sunday, May 28th, 1978, four hundred and sixty-five degrees will be awarded atop Summit Hill, beneath the outstretched arm of Bishop Brownell.

This 152nd Trinity College Commencement sees the largest number of baccalaureate degrees ever to be given at the college in a single year. There will be 417 undergraduate degrees awarded, 324 Bachelor of Arts degrees, and 93 Bachelor of Science diplomas. 42 MA's, 1 MLA, and 5 Honorary Doctorates will also be presented.

Hanna Gray, Acting President of Yale University and President Designate of the University of Chicago, will be the Commencement Speaker, and will also receive an Honorary Degree.

The *Tripod* extends its best wishes to the Class of 1978, the 152nd such body to receive the Bishop's benediction.

Master's Program In American Studies

A Master's degree program in American Studies, emphasizing the cultural history of Hartford and its environs, will be offered by the Greater Hartford Consortium of Higher Education, President Theodore D. Lockwood announced recently.

The program, which will begin in the Fall of 1978, was launched at a reception held at the Connecticut Historical Society. Dr. Lockwood, chairman of the board of the Greater Hartford Consortium said, "The greater Hartford community is rich in resources ideally suited to the study of American culture. We are pleased and excited at the prospect of Consortium institutions pooling their teaching talents and utilizing the excellent libraries,

special collections, and museums in the area for the study of American heritage."

The new Master's program will provide an interdisciplinary approach to the study of America, with special emphasis on the writers, artists and intellectuals who made their homes in this region. History, literature, and art history will be the principal areas of study, supplemented by courses in music, philosophy, political science, and sociology. Twenty-eight full-time faculty members, from Trinity, Saint Joseph College, and the University of Hartford will contribute to the program.

Internships and research projects at seven local institutions will be credited toward the degree,

which will be granted by Trinity. Participating institutions include: The Wadsworth Atheneum, the Stowe-Day Foundation, the Mark Twain Memorial, the New Britain Museum of American Art, the Webb-Deane-Stevens Museum in Wethersfield, the Connecticut Historical Society and the Munson Institute of Maritime Studies in Mystic.

Dr. Homer Babbidge, president of the Hartford Graduate Center, a member of the Greater Hartford Consortium, was guest speaker at the Connecticut Historical Society reception. Commenting on the new program, he said, "The development of this program is a splendid illustration of the Consortium at its best: marshalling the talents of a

variety of institutions and disciplines, to meet a significant void in the range of educational and cultural opportunities available to the people of our community.

Persons interested in knowing more about the American Studies program should contact the Graduate Studies Office at Trinity College.

Nye Retires As Dean Of Faculty

President Theodore D. Lockwood announced on May 17 Dean Edwin P. Nye's decision to retire from his position as Dean of the Faculty at the end of the academic year in June, 1979. Nye will continue to teach at Trinity, and during 1979-80 will assist in implementing whatever administrative changes are appropriate.

In a letter to faculty and administration President Lockwood discussed the implications of Nye's administrative adjustments, such as a reconsideration of the range of responsibilities asked of the Dean of the Faculty, as the adminis-

tration has relied so heavily on Dean Nye's experience in organizing that office.

Second, the President will ask the Faculty Conference to appoint a faculty committee to meet with him in June to begin outlining procedures for a proper search for a replacement in the fall.

President Lockwood expressed his gratitude for Nye's willingness to provide a smooth transition during the coming year, substantial contributions to the College, and the untiring leadership that Nye has brought to Trinity.

Final Tenure Decisions

The following is the list of faculty members recommended for tenure by the Appointments and Promotions Committee: George Chaplin, Associate Professor of Fine Arts; Noreen Channels, Assistant Professor of Sociology; Milla Riggio, Assistant Professor of English; Sonia Lee, Assistant Professor of Modern Languages; Andrea Bianchini, Assistant Professor of Modern Languages; Jane Mills-paugh, Assistant Professor of Physical Education; Judy Dworin, Assistant Professor of Dance was tentatively granted tenure.

Lee and Bianchini were awarded tenure after reconsideration.

Arts

There really isn't enough going on to make up a legitimate Arts Calendar, but three upcoming events deserve mention.

The Broadway show *The Wiz* is coming to Hartford to play at the Bushnell for five performances starting July 7. Director/Costume Designer Geoffrey Holder took over the production in November, 1975, after the original director quit. Holder's many talents helped him to make the show a huge success, winning seven Tony Awards.

The season at the Goodspeed Opera House in East Haddam is well underway. The season's opening musical, *Tip-Toes*, opened April 11 and will run until June 17. It is sold out for the remainder of its run. On June 20 the musical comedy *Whoopee* will open and have a ten-week run. Frank Corsaro, director of the current Broadway hit *Cold Storage* will direct *Whoopee*.

Real Art Ways (RAW) will be presenting Alvin Lucier's Music of Signs in Space (a ten-year retrospective) at RAW, 197 Asylum Street. The times of performance will be at 8:30 p.m. on Friday, June 2 and Saturday, June 3. The program will combine music performances, video installations, and the World Premiere of a performance piece.

Trinity Crew Rows On Into Summer

Two-dozen stalwart young oarsmen, under the guidance of a trio of coaches, continue to work hard and long hours to prepare for a summer of racing. Their efforts on behalf of the Blue and Gold banner will culminate in a trip to the Royal Regatta at Henley this summer.

The two varsity eights, both lightweight and heavyweight, along with spares making up a four and a pair, remain past graduation. On June 1st and 2nd the Trinity boats will make the trip to

Syracuse, to participate in the Intercollegiate Racing Association's National Regatta. This is the big one, featuring all the major college crews. Trinity will row in the JV events, and have a good shot at the finals there.

The Varsity Heavyweight eight, featuring Tom Hernquist, Steve Berghausen, Jeff Siekierski, Charlie Moore, Captain Harry Graves, Jake Sheppard, Jim Gardner, Ted Pardoe, and coxswain Don DeFabio, will row at Henley in The Ladies

Challenge Plate race. This is the major race for small college and club crews, and Trinity was the victor in this event two summers back.

The Varsity Lightweight eight, with Stu Kerr, Ed Kloman, Gordie Armour, Co-Captains Steve Lloyd and Bob Childs, Tony Lothrop, Neil McDonough, Henry Fox, and coxswain Gil Benz will participate in Henley's Thames Cup race. Mentor Norm Graf feels that his Varsity lights are close to the best he's

coached in that division, and stand a respectable chance.

Barr Flynn, Dave Diefenbach, Al Gray, and John Danaher, are rowing as a four, and will enter The Visitor's Cup race in England. Gary Savadove and Bill Zimmerling, performing in a pair, will race in The Silver Goblet and Nickels Challenge.

So follow the adventures of your favorite Bantam Boats in your local newspapers, as they pursue tri-

umph after triumph at home and abroad during the summer months. Or if by chance you are flitting through Merrie Old England along about the first weekend in July, drop by the Henley Royal Regatta, and cheer on those boys in Blue and Gold.

Spring Sports Notes

SPRING LETTERS AND AWARDS— 127 Varsity Letters were awarded this spring, for participation in seven sports. Another 92 Junior Varsity Letters were awarded. Gold Awards, representing three letter-winning seasons in a Varsity sport, went to 26 Bantam athletes and one manager.

BASEBALL— Jim Smith, senior second baseman, gold award winner, and MVP for the 1978 team, was named to the 1978 All-New England 2nd Team for the second base spot. Smitty led the Bantams in 14 offensive categories.

TRACK— Junior John Sandman and Sophomore Jeff Mather were named co-captains of next year's Varsity Track Team. Sandman as a runner and Mather throwing the discus and hammer both made significant contributions to the 1978 team.

SWIMMING— Chet McPhee will coach both Men's and Women's Swimming next winter. The Athletic Advisory Committee has unanimously approved Varsity status for Women's Swimming beginning with the 1978-79 season.

MEN'S LACROSSE— Clinton Brown and Greg Carey have been named co-captains for next year's Men's Lacrosse Team. The Boyer MVP Award was presented this year to high-scorer Steve Feid, who co-captained the Lax-Bants this season. Sophomore Mike Lansbury was named Most Improved for 1978. Greg Madding was named first team midfielder for the All-Division Team. Steve Feid was awarded Honorable Mention. Goalie Peter Lawson-Johnston, in his first season of College Lacrosse, led the nation in save percentage with a .740 mark.

Lines With Eagles

Former Trinity wide receiver Tommy Lines '77 signed a bonus contract with the Philadelphia Eagles of the NFC East after free-agent rookie tryout. Tom heads off to their training camp this summer to see if he can make the squad. Tom Lines was the winner of last year's George Sheldon McCook Trophy, Trinity's highest athletic honor.

Roy A. Dath

Roy Dath Retires After 26 Years Of Coaching

After twenty-six years service as an instructor and Professor of Physical Education, and after seventy seasons of Varsity coaching, Roy A. Dath is retiring from Trinity's Department of Athletics.

It's not easy to hang up the spikes and wrap up the racquets after so many years, admits Roy, but he says he's been looking forward to his retirement: relaxing at his home on the Cape with his faithful canine companion Miss Muggs; fishing in the warm months and heading into his woodworking shop when the weather gets cold. These, along with the gifts and well-wishes of countless colleagues and friends, are deserved rewards for the man who as a Varsity Coach has compiled a fine 407-284 won-lost record over 26 years.

Soccer was the first Varsity sport put under Roy Dath's charge when he arrived upon the Summit in the Fall of 1952. He responded immediately with a fine 5-1-2 mark,

beginning a streak of 17 years without a losing season. Three times Roy's teams made it to the NCAA Playoffs (consecutively in '67-'68) and in 1956 the undefeated Trinity Soccer Team (8-0-0) with the impressive 36-goals-scored with only 5-goals-allowed statistic held fast as the National Intercollegiate Soccer Champions (number #1 in the entire nation, any division!) In 24 seasons of handling the Varsity Soccer program Roy posted an impressive 132-69-15 record.

Also put in his charge that first Spring (1953) was the Varsity Tennis Team. In 26 years at the helm Roy amassed 141 triumphs against only 82 losses, for 18 winning seasons. Eight times his Trinity Tennis squads were ranked among New England's Top Ten, notably his unbeaten 8-0 team of 1972. This year, in his final season as Head Coach, the Trinity Tennis Team tied the record for most wins in a single season (set under Roy in 1955) with ten triumphs.

Roy Dath took over the Varsity Squash program from Dan Jessee in 1958, and for a dozen years the sport showed relatively little success, but much improvement. Roy's Squash Squad enjoyed its first winning season in 1971, and since then Trinity's Squash racqueteers have tasted triumph often. Roy's last five seasons have all been winning ones, and the squad has been ranked nationally three times in three years. Most notable of these was the 1976 undefeated 16-0 squad which found itself fourth among the nation's institutions when the smoke cleared. Indicative of Roy's constant effort to improve Squash at Trinity is that after twelve years without a winning season the Squash program showed so much success that Roy's lifetime record stands finally at .500, with a 134-134 mark.

It is with many thanks and much sadness we say goodbye to Roy, and we wish him the best of fortune, health, and happiness in the future.
